OBJECTIVE

Aspiring project manager with real-world experience in marketing operations, stakeholder coordination, and process improvement at a fast-paced tech startup. Combining a strong technical foundation with a strategic mindset to solve complex challenges.

EXPERIENCE

Project Management Intern

Dec 2025 – Apr 2026

Pyngyn

Remote

- Kept 5+ projects on schedule across 3 cross-functional teams by tracking deliverables in Pyngyn's internal PM tool, reducing missed handoffs by 30%.
- Streamlined the user sign-up workflow by automating manual data entry, reducing processing time by 40% and enabling the team to handle 50+ additional sign-ups per week.
- Replaced manual spreadsheet tracking with a custom CRM built from scratch, centralizing all leads and reducing follow-up time from 15 minutes to under 5 minutes per lead.
- Grew social media engagement by 40% over 3 months by executing 20+ targeted campaigns, informed by ongoing market research.

PROJECTS

From Pilot to Scale: Enhancing Unit Economics for Rapido Ownly

Sep – Nov 2025

Independent Project

- * Identified a real-world scaling problem for a bike-taxi pilot program and authored end-to-end project documentation to plan, execute, and manage a proposed solution.

Market Analysis & MVP Rollout Plan – P2P Bike Rental Platform

Sep – Nov 2025

Independent Project

- * Built a market analysis and MVP rollout plan for a peer-to-peer bike rental platform, combining market research with structured project planning.
